Mr Ian Sutherland AO
President
Calder Action Group
8/55 Brook Street
SUNBURY VIC 3429

Dear Mr Sutherland

Thank you for your letter dated 7 February 2019, regarding the Calder Freeway. I apologise for the delay in responding.

As you are aware, VicRoads in conjunction with key stakeholders, including the Calder Action Group, is investigating capacity and safety improvements along the Calder Freeway. Some of the preliminary options assessed include additional lanes, new bridges and the proposed new interchange at Calder Park Drive and the Calder Freeway. As part of this work, further transport modelling was undertaken that reaffirmed the benefits of building a Calder Park Drive/Calder Freeway interchange.

This proposal will be considered for funding under a future program. VicRoads will continue to seek planning funding to further investigate improvements along the Calder Freeway.

Should you require any further information, Mr Mark Kulyk, VicRoads Team Leader, Investment Strategy, Metropolitan North-West Region (Tel: 9313 1274) would be pleased to assist.

Yours sincerely

Hon Jaala Pulford MP
