Dear Mr Sutherland

CALDER PARK DRIVE INTERCHANGE, CALDER PARK

Thank you for your letter of 14 November 2013, regarding the Calder Park Drive Interchange.

The Minister for Roads, the Hon Terry Mulder MP, considers road safety and traffic operations to be important issues. Part of the work I do as Parliamentary Secretary for Transport is being actively involved in key portfolio issues such as this.

I trust that you have received a letter from the Minister for Roads, dated 12 May 2013, regarding the above matter (copy attached).

The Victorian Government has included the project to upgrade the existing at-grade intersection at Calder Freeway, Calder Park Drive, with a grade separated interchange, in its 2014-15 Nation Building Program submission to the Commonwealth Government. We are currently awaiting advice regarding the submission.

Thank you for taking the time to raise this matter.

Should you require any further information, Mr Nicholas Fisher of VicRoads' Metropolitan North West Region (Tel: 9313 1270), would be pleased to assist.

Yours sincerely

Gary Blackwood MP
Parliamentary Secretary for Transport
