Dear Mr Sutherland,

Thank you for your email of 6 July 2007, which included a copy of the Calder Acton Group's submission to the Department of Transport and Regional Services, the Victorian Department of Infrastructure and VicRoads relating to the Melbourne-Mildura Corridor Strategy.

I will pass on your recommended amendments to the Minister of Transport and Regional Services the Hon Mark Vaile so that he is aware of the concern your group holds for the safety of motorists on the Keilor section of the Calder Highway.

I would like to thank the Calder Action Group for taking the time and expressing their views on this matter as it is only through groups such as yours making contact with our offices that we are able to present the community's feelings on an issue such as this.

As soon as I have a response I will pass on any further information he provides.

Yours sincerely,

Michael Ronaldson
