Group pushes for interchange funds

WITH the state budget on its way, the Calder Action Group wants assurance the Government will fund Taylors Lakes' Kings Road interchange to the Calder Freeway.

It has written to Premier John

"All we're trying to do at the moment is ensure that the State Government comes up with the other 50 per cent," Mr Mowatt said.

"Over the years, there's been approximately eight people killed on

acceptable in terms of a freeway."

State Government media adviser Chris Owner said the Government was finalising the 2009-10 state budget.

"We cannot rule anything in or out ahead of the budget, which will be
