Dear Mr Solomon

Thank you for your response dated the 26th June 2023.

The Calder Action Group Inc will await your response for the Strategic Review of the IIP and the merits of the Big Build Project for the Calder Park Drive/Calder Freeway Overpass.

For your information there has already been an extensive review of the said project with consultants, the community, local councils and stakeholder groups with an overwhelming support for this vital infrastructure.

We look forward to a positive response to the above and a high national roads rating on the conclusion of the strategic review.

Regards
Russell S Mowatt
President Calder Action Group Inc
